Case No. 18-cv-00292-RS (TSH)

DISCOVERY ORDER

Re: Dkt. No. 43

11
12 On December 6, 2018, the parties filed a Joint Discovery Letter. ECF No. 43. The Court
13 has a telephonic hearing scheduled for 1:30 p.m. on December 14, 2018 concerning the letter.
14 Exhibit A to the letter is meant to reproduce the discovery requests and responses at issue, as
15 required by the undersigned's discovery standing order. However, Exhibit A is disorganized.
16 Starting on page 8 the numbers for the interrogatories and the responses do not line up with each
17 other. Pages 14 and 15 state that they list requests for admission, but the text appears to be
18 responses to the requests for admission, not the requests themselves. On pages 22-24 the numbers
19 for the requests for production and the responses do not line up with each other. There are similar
20 mismatches on pages 36, 39 and 40. The Court wants to be sure what responses correspond with
21 which requests, and these errors introduce uncertainty. The Court **ORDERS** the parties to file a
22 corrected Exhibit A by noon on December 14, 2018. No chambers copy is required.

23 **IT IS SO ORDERED.**
